Dear friends:

As per our understanding I am forwarding herewith
copies of the contract for the double-header to be played here
in Detroit at the Briggs Stadium, Sunday September 9th.

Kindly sign the same and return promptly one copy,
the other, of course, you will keep.

I am sorry that I have been unable to get back East
to see and talk with you concerning some little details, but I
am sure that all will be o. k. and that we shall have time for
a little chat between now and September 9th. I would suggest
that you not discuss any of our business understandings with any
others not directly concerned. Already I have found, and no
doubt you have too, that there is entirely too much loose talk-
ing about these games. Needless to say Kansas City will work under
these same terms as the substituting club for the Eagles.

Very truly yours,

John R. Williams
